# CNC Safety LLC.

SAFETY SPECIALIST / TUPELO, MS. (AUTO MANUFACTURING)
Weekends & Shutdown
This position is to assist our clients to minimize the risk of job-related accidents and ensure OSHA compliance. Safety coordinators will monitor operations to eliminate hazardous activities.
Safety coordinators should be well-versed in all OSHA compliance. The work will be focused on prevention, so you need to be diligent and analytical. This position possesses a keen eye for detail and a sensitivity for potential dangers.
The goal is to support the creation of a healthy and safe workplace.
REQUIREMENTS:
• Minimum 5 years' experience in construction safety
• Automotive manufacturing experience is preferred
•Bilingual is preferred but not required
• Minimum OSHA 510 certification
• Must have a current CPR, AED, and First Aid certification
• Proficient in Microsoft Office
• TERA and knowledge of TCSR's 4.2 is preferred
• In-depth knowledge of OSHA guidelines and practices
• Experience in daily reporting to management
• Excellent communication and advisory skills
• Must have a current, valid driver's license
• Must be eligible to work in the United States
• Must be able to pass a drug test and background test
RESPONSIBILITIES:
• Ensure workers and the general public are kept safe from harm
• Conduct field safety/audit inspections
• Suggest to workers proper safe work practices
• Identify and coordinate safety improvement plans to ensure the continuous improvement of safety in new and existing products, processes and procedures
• Enforce OSHA policies (e.g., accident reporting process)
• Maintain and apply knowledge of current health and safety policies, regulations and industrial processes
• Identify and correct potential hazards by inspecting facilities, machinery and safety equipment
• Maintain all OSHA required programs, training, logs, records and reports
• Partner with Client in accident investigation procedures
• Keep records of safety-related incidents and propose corrective actions
• Other duties may be assigned per project as required
